

Rensselaer

TENURE TRACK FACULTY OPENINGS

Department of Chemical and Biological Engineering
Rensselaer Polytechnic Institute, Troy, NY

Rensselaer Polytechnic Institute (RPI) invites applications for tenure track faculty appointments at the assistant professor level in the Howard P. Isermann Department of Chemical and Biological Engineering. These faculty members will join the Department at a time of significant growth. New faculty will have the opportunity to conduct multidisciplinary research associated with a number of centers on campus, including Future Energy Systems, Biotechnology and Interdisciplinary Studies, Nanotechnology, and Polymer Synthesis, among others.

Candidates must have earned a Ph.D. (or foreign equivalent) in Chemical Engineering or in a closely related field. Degree requirements must be satisfactorily completed by the time appointment begins. In addition, candidates must demonstrate, through accomplishments, promise of future distinction in scholarship and education. Successful candidates will have duties that include teaching in the area of Chemical Engineering; performing research and mentoring students; and service to the department, Institute and profession.

Qualified individuals should mail or email a complete CV, research/teaching plans, and the names of three references to:

Chair, Faculty Search Committee,
Isermann Department of Chemical and Biological Engineering,
Rensselaer Polytechnic Institute,
110 8th St., Troy, NY 12180-3590.
Email: cbe@rpi.edu.

We welcome candidates who will bring diverse intellectual, geographical, gender and ethnic perspectives to Rensselaer's work and campus communities. Rensselaer Polytechnic Institute is an Affirmative Action/Equal Opportunity Employer.
