

SCHOOL OF CHEMICAL ENGINEERING

The School of Chemical Engineering, Purdue University, seeks outstanding individuals at Assistant or Associate Professor rank with a Ph.D. degree and a strong background relevant to chemical engineering. A special emphasis for the search is catalysis. Candidates should have a distinguished academic record, exceptional potential to conduct world-class research, and a commitment to teach at both the undergraduate and graduate levels. For senior applicants, an excellent reputation in the field of specialty is required. For consideration, please complete the online application form at <https://engineering.purdue.edu/Engr/AboutUs/Employment/Applications> and include curriculum vitae, statement of teaching and research interests, and the names and addresses of four references. Review of applications will begin October 15, 2011 and continue until the position is filled. A background check will be required for employment in this position.

Purdue University is an equal opportunity/equal access/affirmative action employer fully committed to achieving a diverse workforce.
