

SCHOOL OF CHEMICAL ENGINEERING

The School of Chemical Engineering, Purdue University, seeks outstanding individuals at Assistant, Associate or Full Professor rank with a Ph.D. degree in Chemical Engineering or closely related field. A special emphasis for the search is process systems engineering. Successful candidates will have a distinguished academic record, exceptional potential to conduct world-class research, and a commitment to teach at both the undergraduate and graduate levels. For senior applicants, an excellent reputation in the field of specialty is required.

Nominations may be sent to G. V. Reklaitis, chair of the search, at reklaiti@purdue.edu. For consideration, please complete the online application form at <https://engineering.purdue.edu/Engr/AboutUs/Employment/Applications> and include curriculum vitae, statement of teaching and research interests, and the names and addresses of four references. Review of applications will begin March 1, 2012 and continue until the position is filled. A background check will be required for employment in this position.

Purdue University is an equal opportunity/equal access/affirmative action employer fully committed to achieving a diverse workforce.
