

## OPEN RANK FACULTY SEARCH

**DEPARTMENT:** Chemical and Biomolecular Engineering  
(<http://chbe.umd.edu>)

**STARTING SALARY:** Commensurate

**DUTIES:** University of Maryland College Park – Applications and nominations are invited from outstanding individuals for tenure-track position in the Department of Chemical and Biomolecular Engineering.

**QUALIFICATIONS:** Successful applicants will have a Ph.D. in Chemical Engineering or a related discipline; additional postdoctoral experience is desirable. We seek the best possible candidates, irrespective of research field or academic rank.

Each appointee will be expected to establish an imaginative, vibrant, and well-funded research program that will serve to educate graduate and undergraduate students and advance the field. Each appointee will also contribute to the teaching of undergraduates and graduate courses within the department. Depending on qualifications and experience, the successful candidate at the full professor level may be appointed as the Robert Franklin and Frances Riggs Wright Distinguished Chair in Chemical Engineering.

**To APPLY:** A cover letter, curriculum vitae, a statement of research and teaching interests, and names and addresses of three professional references (Company/Agency/Institution, phone & email addresses), should be submitted electronically to: <http://ejobs.umd.edu>; **position number 121391.**

For best consideration, applications should be received by December 4, 2015, but applications will continue to be considered after this date **until the position is filled.**

**POINT of CONTACT:** Questions about the position can be directed to the Chair of the Search Committee: Prof. Raymond A. Adomaitis, Department of Chemical and Biomolecular Engineering, University of Maryland, College Park, College Park, MD 20742-2111, Email: [adomaiti@umd.edu](mailto:adomaiti@umd.edu); Tel: (301) 405-2969

*The University of Maryland, College Park, actively subscribes to a policy of equal employment opportunity, and will not discriminate against any employee or applicant because of race, age, sex, color, sexual orientation, physical or mental disability, religion, ancestry or national origin, marital status, genetic information, or political affiliation. Minorities and women are encouraged to apply.*
