

PRINCETON

Chemical and Biological Engineering

ASSISTANT PROFESSOR

CHEMICAL AND BIOLOGICAL ENGINEERING, PRINCETON UNIVERSITY

The Department of Chemical and Biological Engineering at Princeton University seeks outstanding applicants for a tenure-track appointment at the Assistant Professor level, effective as early as September 1, 2019. The search is open to candidates specializing in any area of chemical and biological engineering.

The successful candidate should have a Ph.D. in Chemical Engineering or a related field, demonstrated excellence in academic research, and a strong commitment to teaching and advising undergraduate and graduate students. We seek faculty members who will create a climate that embraces excellence and diversity, with a strong commitment to teaching and mentoring that will enhance the work of the department and attract and retain a diverse student body. Candidates must complete an online faculty application at www.princeton.edu/acad-positions; a *curriculum vitae*, detailed descriptions of teaching and research interests, reprints of selected publications, and the names and addresses of at least three references should be uploaded as .pdf documents via the on-line application. This position is subject to Princeton University's background check policy. Candidates are encouraged to apply by November 5, 2018.

Princeton University is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
