## TENURE-TRACK FACULTY POSITION IN CHEMICAL ENGINEERING

### **UMass-Amherst Chemical Engineering Tenure-Track Faculty Position:**

Assistant or Associate Professor. Requirements include a Ph.D. in Chemical Engineering or related field, outstanding record of research accomplishments, and commitment to excellence in teaching and research. Preferred area of research is *Materials Science and Engineering* with interests that are complementary to current strengths in *Bioengineering, Computational Science and Engineering, and Sustainable Energy*. Expected starting date is September 1, 2011. Send curriculum vitae, research plan and statement of teaching interests by email to: [cheseach@ecs.umass.edu](mailto:cheseach@ecs.umass.edu) (*applications should be submitted as a single pdf file*). Three letters of reference should also be sent by email to the same address. Applications sent through regular mail should be addressed to: Prof. Constantine Pozrikidis, Chair, Faculty Search Committee, Dept. of Chemical Engineering, University of Massachusetts, 686 N. Pleasant St., Amherst, MA 01003-9303 (*email submission is preferred*). Reviews will begin December 1, 2010. Applications will be accepted until the position is filled. The University of Massachusetts is an Affirmative Action/Equal Opportunity Employer, promotes diversity, and encourages applications from women and members of minority groups.
