

Multiple Open Rank Faculty Positions in Chemical & Biomolecular Engineering, University of California Los Angeles

Job #JPF06827

- CHEMICAL AND BIOMOLECULAR ENGINEERING / Henry Samueli School Engr & Ap / UCLA

We are not yet accepting applications for this recruitment. [Browse open recruitments](#)

POSITION OVERVIEW

Position title: Professor, Associate Professor, Assistant Professor

APPLICATION WINDOW

Open date: October 1st, 2021

Next review date: Monday, Nov 1, 2021 at 11:59pm (Pacific Time)

Apply by this date to ensure full consideration by the committee.

Final date: Thursday, Jun 30, 2022 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

POSITION DESCRIPTION

Building upon its commitment to foster an inclusive environment and promote the success of underrepresented students, the Department of Chemical & Biomolecular Engineering at the UCLA Henry Samueli School of Engineering and Applied Science invites applications for multiple open rank tenure-track faculty positions.

Applicants for the positions must have a demonstrated record of excellence in, or show exceptional promise for, high-quality research, teaching, and professional development. In addition, applicants must have a demonstrated record of interest in, and commitment to, the mentorship of students from underrepresented and underserved populations. The successful candidate will be expected to advance their active mentoring activities and participate in programs that provide research and professional development opportunities for our diverse student body (such as our Center for Excellence in Engineering and Diversity, our Women in Engineering program, and our student organizations listed at <https://samueli.ucla.edu/equity-diversity-and-inclusion/>). Teaching and service expectations will not exceed those of other faculty positions. Applications will be considered at all levels, with a preference for appointments at the Assistant Professor level.

The Department of Chemical & Biomolecular Engineering at the UCLA Henry Samueli School of Engineering and Applied Sciences is conducting a search for exceptional faculty candidates in disciplines related to chemical engineering.

Candidates whose technical interests complement and augment the Department's existing strengths and are well positioned to develop collaborations as part of multidisciplinary research teams are of particular interest. Applications will be considered at all levels, with a preference for appointments at the Assistant Professor level. Our hiring priority is focused on the frontiers of Chemical & Biomolecular Engineering research, where a candidate's impact, originality, and promise for developing and maintaining a strong, extramurally supported research program has been demonstrated. We are interested in outstanding candidates who are committed to excellence in teaching and scholarship and to a diverse campus climate.

These positions require a Ph.D. or equivalent in chemical engineering or a closely related discipline at date of hire.

Application packages should be submitted online through <https://recruit.apo.ucla.edu/apply/JPF06827> and include the following documents: 1) curriculum vitae, 2) statement of contributions to equity, diversity, and inclusion with particular attention to mentoring achievements and future mentoring goals, 3) statement of research interest, 4) statement of teaching interest, and 5) a cover letter. Review of applications will begin on November 1, 2021 and continue until the positions are filled. Inquiries about the position and nominations of potential candidates should be directed to Panagiotis Christofides at pdc@seas.ucla.edu.

Los Angeles is a global city renowned for its dynamism, robust economy, rich cultural diversity and spectacular climate. UCLA has been ranked the No. 1 public university in the nation by U.S. News & World Report for four straight years. UCLA Samueli is a tightly-knit community with more than 6000 undergraduate and graduate students, more than 190 full-time faculty members, and is in the midst of its largest growth since the school was founded. The school is consistently ranked in the top 10 among U.S. public engineering schools and its Master's online program is ranked No. 2 by U.S. News & World Report. Established in 1945, UCLA Samueli is known as the birthplace of the internet, and where countless other fields took some of their first steps – from artificial

intelligence to reverse osmosis, from mobile communications to human prosthetics. UCLA Samueli is deeply committed to diversifying the ranks of its faculty, staff and students, and to providing an equitable and inclusive environment for all its members.

UCLA is a tobacco-free environment. For more information, please view the policy at Tobacco-Free Campus Policy

QUALIFICATIONS

Basic qualifications (required at time of application)

PhD in Chemical Engineering or related field at date of hire.

APPLICATION REQUIREMENTS

Document requirements

- Cover Letter (Optional)
- Curriculum Vitae - Your most recently updated C.V.
- Statement of Research (Optional)
- Statement of Teaching (Optional)
- Statement on Contributions to Equity, Diversity, and Inclusion - An EDI Statement describes a faculty candidate's past, present, and future (planned) contributions to equity, diversity, and inclusion. To learn more about how UCLA thinks about contributions to equity, diversity, and inclusion, please review our [Sample Guidance for Candidates](#) and related [EDI Statement FAQ](#) document.
- Misc / Additional (Optional)

Reference requirements

- 3-5 required (contact information only)

None
